SECTION 2
PART-I
**INSTRUCTION TO
AGENCIES**

SECTION 2

INSTRUCTIONS TO AGENCIES (ITC)

PART I

1. Definitions

- a) “**Assignment / job**” means the work to be performed by the Consultant pursuant to the Contract.
- b) “**Consultant (herein after referred as Consultant)**” means any eligible entity as per RFP which submits a Proposal, either individually or as Consortium (in the latter case through Lead Member), and which upon selection, would provide Services to the Employer under the Contract.
- c) “**Consortium**” shall mean an association or combination of partnering entities, being consortium members and includes one or more identified and named sub-Consultant(s), coming together with Lead Member for submission of a Proposal having specific experience.
- d) “**Contract**” means the contract signed by and between Employer and the Consultant and all its attached documents.
- e) “**Day**” means calendar day.
- f) “**Employer**” means the **Chief Executive Officer , Pimpri Chinchwad New Town Development Authority, Akurdi or to whom the functions of the Chief Executive Officer may be subsequently transferred.**
- g) “**Employers Representative**” means the representative of the Employer. He is Superintending Engineer, PCNTDA, Executive Engineer , PCNTDA and or any Officer appointed by the Employer.
- h) “**Superintending Engineer**” means the Superintending Engineer PCNTDA
- i) “**Executive Engineer**” means the Executive Engineer, PCNTDA
- j) “**Government**” means the Government of India ,/Maharashtra./ Relevant Government Department or Body including Local bodies
- k) “**Lead Partner**”: shall mean the member of the consortium duly nominated/authorized by all members of that consortium as a lead partner as per RFP.
- l) “**Personnel**” means professionals and support staff provided by the Consultant or by any Sub- Consultant and assigned to perform the Services or any part thereof.

- m) **Proposal** means the Technical Proposal and the Financial Proposal, considered together.
- n) **RFP** means the Request for Proposal issued by the Engineer-in-charge for the selection of Consultant.
- o) **Terms of Reference** (TOR) means the document included in the RFP as Section 5 which explains the objectives, scope of work, activities, tasks to be performed by the Consultant and the deliverables of the Assignment/job.

2. Introduction

- 2.1 The Employer, named in the Part II Data Sheet, will select a CONSULTANT in accordance with the method of selection specified in the RFP included in the Part II Data Sheet.
- 2.2 The name of the Assignment/Job has been mentioned in Part II Data Sheet. Detailed scope of the Assignment/ job has been described in the Terms of Reference (TOR) in Section 5.
- 2.3 Date, time and address for submission of Proposals have been given in Part II Data Sheet.
- 2.4 Agencies are invited to submit a Proposal, for consulting Assignment/job named in ITC 2.2.
- 2.5 Agencies should familiarize themselves with local conditions and take them into account in preparing their Proposal. Agencies are encouraged to attend a pre-Proposal meeting at the time and venue as specified in the Part II Data Sheet.
- 2.6 The Engineer-in-charge will provide at no cost to the selected Consultant various inputs and facilities specified in the Part II Data Sheet, assist the Consultant in obtaining licenses and permits needed to carry out the Assignment/job, and make available relevant project data and reports.
- 2.7 Agencies shall bear all costs associated with the preparation and submission of their Proposals and contract negotiation. The Employer is not bound to accept any Proposal, and reserves the right to annul the selection process at any time prior to Contract award.

3. Consortium Related Details - Deleted

.

4. Clarification and Amendment of RFP Documents

- 4.1 Consulting firms/Agencies may request for a clarification on any clause of the RFP

documents at the address within the timelines indicated in the Part II Data Sheet. The Engineer-in-charge will respond in writing, or by standard electronic means and will send copies of the response to all Agencies.

- 4.2 At any time before the due date for submission of Proposal, the Engineer-in-charge may amend the RFP by issuing an addendum in writing or by standard electronic means.

5. Conflict of Interest

- 5.1 Employer requires that CONSULTANT provide professional, objective, and impartial advice, and at all times hold the Employer's interests paramount, strictly avoid conflicts with other Assignment/jobs or their own corporate interests and act without any consideration for future work.

- 5.2 Without limiting the generality of the foregoing, CONSULTANT, and any of their sub-CONSULTANT(s), shall be considered to have a conflict of interest when:

- (i) **Conflicting Assignment/job:** A CONSULTANT (including its Personnel and Sub-CONSULTANT) or any of its affiliates shall not be hired for any Assignment/job that, by its nature, may be in conflict with another Assignment/job of the CONSULTANT to be executed for the same or another Employer.
- (ii) **Conflicting relationships:** A CONSULTANT (including its Personnel and sub-Consultant) that has a business or family relationship with a member of the Employer's staff and who is directly or indirectly involved in any part of (a) the preparation of the Terms of Reference of the Assignment/job, (b) the selection process for such Assignment/job, or (c) supervision of the Contract, may not be awarded a Contract.

- 5.3 Agencies have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of the Employer, or that may reasonably be perceived as having this effect. If the CONSULTANT fails to disclose said situations, it may lead to disqualification of the CONSULTANT during the bidding process or the termination of its Contract during execution of Assignment.

- 5.4 **Unfair Advantage:** If a CONSULTANT could derive a competitive advantage from having provided consulting Assignment/job related to the Assignment/job in question and which is not defined as conflict of interest as per para 5.2 above, the Engineer-in-charge shall make available to all CONSULTANT together with this RFP all information that would in that respect give such CONSULTANT any competitive advantage over competing Agencies.

6. Proposal:

A CONSULTANT must only submit one Proposal. If a CONSULTANT or any of its sub-Consultants or any of its Consortium members submits or participates in more than one Proposal, all such Proposals shall be rejected and not considered for the purposes of evaluation under the RFP.

7. Proposal Validity:

The Part II Data Sheet indicates how long Agencies' Proposals must remain valid after the submission date. During this period, Agencies shall maintain the availability of Professional staff nominated in the Proposal and also keep their Financial Proposal unchanged. Should the need arise; however, the Employer may request Agencies to extend the validity period of their Proposal. Agencies who do not agree have the right to refuse to extend the validity of their Proposal; under such circumstance the Employer shall not consider such Proposal for further evaluation.

8. Eligibility Criteria:

The CONSULTANT submitting a Proposal must fulfill the criteria laid down in the Part II: Data Sheet for it to become eligible for submitting Proposal in response to this RFP.

9. Preparation of Proposal**9A. Bid Security**

9A.1 The bid/ Proposal shall be accompanied by bid security as per Data Sheet in Part II. Bid security shall be submitted online through payment gateway only.

9A.2 Any bid/ Proposal not accompanied by the Bid Security will be rejected.

9A.3 In the event of his bid/ Proposal being accepted subject to provisions of the sub clause 9A.4 below, the said amount if so requested by the bidder be appropriated towards the amount of Performance Security payable by him under the conditions of contract. **If the Bidder submits the performance security in the form of FDR/BG the EMD shall be returned to the Bidder.**

9A.4 If after submitting the bid/ Proposal, the bidder withdraws his offer or modifies the same or if after acceptance of his bid, fails or neglects to furnish the performance security, without prejudice to any rights and powers of the Employer hereunder or in law, the Employer shall be entitled to forfeit the full amount of Bid Security deposited

by the bidder.

9A.5 In the event of bid/ Proposal being not accepted, the amount of Bid Security deposited by the bidder shall unless it is prior thereto to forfeit under provision of sub clause 9A.4 above, be refunded to him on passing of receipt thereto without any interest.

9B Bid Processing Fee: As in Part II Data Sheet

9.1 The Proposal as well as all related correspondence exchanged by the Agencies and the Engineer-in-charge shall be written in the English language.

9.2 While preparing the Technical Proposal, Agencies must ensure that alternative professional staff is not proposed and only one curriculum vitae (CV) may be submitted for each position.

9.3 **Technical Proposal:** Agencies are required to submit online (e- submission on mahatenders.gov.in) Technical Proposal (TP) informs provided in Section-3. The Part II Data sheet in Section-2 also indicates the formats of the Technical Proposal to be submitted. Submission of the Technical Proposal not complying with the requirements will result in the Proposal being deemed non-responsive. Content of the Technical Proposal is prescribed below:

- a) Form TECH-1 in Section-3 is cover letter accompanying Technical Proposal.
- b) A brief description of the CONSULTANT's organization and in the case of a consortium/ of each partner, will be provided in Form TECH-2. In the same Form, the CONSULTANT and their Consortium member and/or named sub-agencies (if any) will provide details of experience of eligible Assignments.
- c) Copy of audited balance sheet duly certified by C.A. for A.Y.2015-16 and for A.Y.2016-17 and A.Y. 2017-18.
- d) Documents for Eligibility Criteria as stated in the bid document. CA certificate for Annual Turnover and Work Done/Completed certificate of Competent Authority.
- e) A description of the Proposal, technical approach, methodology and work plan, Financial Model for carrying out the project , for performing the Assignment/job (Form TECH-3 of Section 3).
- f) The list of the proposed Key Professional staff by area of expertise, along with their Curriculum Vitae (CV)(in the format given in FORM TECH- 4A) duly signed by

the concerned staff, the position that would be assigned to each staff team member and their tasks, is to be provided in Form TECH-4 of Section 3.

g) Project Scheduling & Planning (Form TECH-5 of Section 3).

h) Detailed description of methodology for training & capacity development.

i) Power of Attorney / authorization in favor of person signing the Proposal (in case of Consortium, this should be provided by the Lead Member).

j) Consortium MoU (if applicable)-

k) Power of Attorney from Consortium members in favour of the Lead Member (if applicable)

9.4 The Technical Proposal shall not include any financial information. A Technical Proposal containing financial information may be declared non- responsive.

9.5 **Financial Proposal:** The Financial Proposal shall be prepared using the attached Standard Forms (Form FIN-1 in Section 4). It shall set down the total cost, **expressed in percentage terms only (and not in amount in words)** of the estimated project cost (EPC), associated with the Assignment/job, including costs of the CONSULTANT associated with concept, design, construction Management, procurement services, commissioning, capacity building etc, given in detail in TOR, and applicable taxes.

9.6 The Financial Proposal shall not include any conditions attached to it and any such conditional Financial Proposal shall be summarily rejected.

9.7 As per the GR of GOM , UDD no. Sankirna-2018/Pra Kra 54/Navi -16 Dt 04/06/2018 the cap on PMC charges for supervision of works ie for Post Tender Activities is limited to 1.34 % of Estimated Cost hence bidder has to submit his bid within the limit of 1.34%

Deleted

10. Taxes

All applicable taxes excluding Goods And Services Tax will be included in the financial proposal in Form FIN-1 in Section 4.

11. Currency

Agencies shall express the price of their Assignment/job in percentage of the estimated project cost (EPC) **subject to provision in 9.7**

12. E - Submission, Receipt and Opening of Proposals

12.1 Submission letters for both Technical Proposal and the Financial Proposal should respectively be in the format of TECH-1 of Section 3, and FIN-1 of Section 4.

12.2 An authorized representative of the CONSULTANT shall initial all pages of the

original Technical and Financial Proposals. The authorization shall be in the form of a written power of attorney accompanying the Proposal or in any other form demonstrating that the representative has been duly authorized to sign. The signed Technical and Financial Proposals shall be marked "ORIGINAL".

- 12.3 The original copies of the Technical Proposal shall be submitted online on www.maharashtra.etenders.in Similarly, the original Financial Proposal shall be submitted online on www.maharashtra.etenders.in clearly marked "FINANCIAL PROPOSAL" followed by the name of the Assignment/job.
- 12.4 The Proposals must be sent online on www.maharashtra.etenders.in and received online no later than the time and the date indicated in the Data sheet, or any extension to this date in accordance with para 4.2 above. Any Proposal received by the Employer after the deadline for submission shall be returned unopened.

13. Proposal Evaluation

- 13.1 The Agencies should not contact the Employer on any matter related to its Technical and/or Financial Proposal. Any effort to influence the Employer in the examination or evaluation of proposals may result in the rejection of the CONSULTANT's Proposal.
- 13.2 The Chief Executive Officer has constituted a CONSULTANT Selection Committee (CSC) which will carry out the entire evaluation process. This committee consists following members:
1. Chief Executive officer , PCNTDA- Chairman
 2. Superintending Engineer PCNTDA- Member
 3. Executive Engineer (A)/(B) PCNTDA- Member (Secretary)
 4. CAFO, PCNTDA- Member
- 13.3 **Evaluation of Technical Proposals:** CSC while evaluating the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded and the competent authority accepts the recommendation.
- 13.4 The CSC shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and by applying the evaluation criteria, sub-criteria specified in the Data sheet. In the first stage of evaluation, a Proposal shall be rejected if it is found deficient as per the requirement indicated in the Data sheet for responsiveness of the Proposal. Only responsive Proposals shall be further taken up for evaluation. Evaluation of the technical Proposal will start first and at this stage the financial bid (Proposal) will remain unopened. The qualification of the CONSULTANT and evaluation criteria for the technical Proposal shall be as defined in the Data sheet.
- 13.5 **Public opening & evaluation of the Financial Proposals:**

Financial Proposals of only those entities that are technically qualified shall be opened on the date & time to be specified later, in the presence of the CONSULTANT's representatives who chose to attend. The name of the Agencies, their technical score and their financial Proposal shall be read aloud.

- 13.6 The CSC will correct any computational errors. When correcting computational errors between word and figures, the former will prevail.
- 13.7 After opening of Financial Proposals, selection method as described in the Data Sheet: Detailed Evaluation Method shall be applied to determine the CONSULTANT eligible for award of Contract. The selected CONSULTANT will be invited for negotiations, if considered necessary.
- 13.8 The decision of Employer is final and binding on all Agencies who participated in this proposal.

14. Negotiation of Contract

14.1 Negotiations may be held at the date, time and address intimated to the selected CONSULTANT.

14.2 Technical negotiations:

Before final MOU is signed, negotiations on technical and financial proposal may be done to clarify the work plan, staffing schedule, logistics etc.

14.3 Financial negotiations:

Under no circumstance, the financial negotiation shall result in to increase in the price originally quoted by the CONSULTANT. Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff nor other proposed unit rates.

14.4 Availability of Professional staff/experts: The Employer expects to negotiate a Contract on the basis of the Professional staff named in the Proposal. Before contract negotiations, the Employer will require assurances that the Professional staff will be actually available.

15. Award of Contract

15.1 The Chief Executive Officer , PCNTDA shall issue a Letter of Intent (LOI) to the selected CONSULTANT and promptly notify all other Agencies who have submitted Proposals about the decision taken.

15.2 Unless otherwise agreed, the CONSULTANT will sign the Contract within 15 days of issuance of LOI.

15.3 The CONSULTANT is expected to commence the Assignment/job on the date and at

the location specified in the Part II Data Sheet.

15.4 Performance Security

The successful Consultant whose offer has been accepted will have to pay an amount as per Data Sheet in Part-II as performance security. The performance security shall be either submitted online or in the form of demand draft/FDR drawn in favour of Chief Executive Officer, PCNTDA, as per Data Sheet in Part -II or in the form of bank guarantee from a the State Bank of India or any Nationalized Bank with a branch in Pune Maharashtra State. Performance security shall be furnished within 15 days from the date of issue of acceptance letter else the Consultant will be liable for action as per sub clause 9A.4of ITC Part-I. The performance security submitted shall be valid up to a period of 3 months beyond Satisfactory defect liability period (DLP) completion of the Construction Contractor.

16. Confidentiality

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the Agencies who submitted the Proposals or to other persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any CONSULTANT of confidential information related to the process may result in the rejection of its Proposal and may be subject to the provisions of the Employer's anti fraud and corruption policy.

17. Transparency & Disclosure provision: Deleted

Article 2: Scope of Services

- 2.1 Subject to the provisions of this Contract, CONSULTANT shall be responsible for discharging the Scope of Services set out in **Annexure 1**. AND Section 5 Terms of reference

Article 3: Obligations of CONSULTANT

3.1 Standard of Performance

The CONSULTANT shall perform its services and carry out its obligations hereunder with all due diligence, efficiency and economy, in accordance with generally accepted professional techniques and practices, and shall always observe sound management practices. It shall cause to be employed appropriate advanced technology and safe and effective equipment, machinery, materials and methods in connection with the Project at all stages of the Project. The CONSULTANT further covenants with Employer to furnish its best skill, care, diligence, and judgment in the rendition of all services under this Agreement which shall be no less than that exercised by a CONSULTANT of good reputation performing work for projects of a size, scope and complexity similar to the Project and to further the interest of Employer at all times

through efficient business administration, management and construction management services.

3.2 **Standard of Care**

CONSULTANT acknowledges the relationship of trust and confidence established between the CONSULTANT and Employer by this Agreement. Accordingly, the CONSULTANT's acts shall be consistent with this relationship. The CONSULTANT shall always act, in respect of any matter relating to this Agreement, as an honest and faithful adviser to Employer. The CONSULTANT shall at all times support and safeguard Employer's legitimate interests in any dealings with the Contractor or other third parties.

3.3 **Personnel, Sub-Agencies and Consortium Members**

3.3.1 The CONSULTANT shall employ such qualified and experienced personnel as are required to perform its services hereunder in a proper, effective and timely manner. The CONSULTANT shall employ, in connection with the Project, only such personnel as are acceptable to Employer. If required, the CONSULTANT shall submit to Employer for written approval the biographical data of all such personnel. If Employer does not object in writing (stating the reasons for the objection) within thirty (30) calendar days from the date of receipt of such biographical data, such personnel shall be deemed to have been approved by Employer. The CONSULTANT shall make changes in its personnel only with the advance, written permission of Employer which shall not be unreasonably withheld. Employer may require the CONSULTANT to remove from the work/Project any of its approved personnel to which Employer develops a reasonable objection and thereupon the CONSULTANT shall forthwith provide as a replacement a person of equivalent or better qualifications acceptable to Employer, such replaced person to be inducted only after written approval by Employer. If Employer (i) finds that any of the CONSULTANT's personnel has committed serious misconduct or has been charged with having committed any criminal act, or (ii) has reasonable cause to be dissatisfied with the performance of any of the personnel, then the CONSULTANT shall, at Employer's written request specifying the grounds therefore, forthwith provide as a replacement a person with qualifications and experience acceptable to Employer.

3.3.2 The CONSULTANT shall employ only such sub-agencies that have been named and identified in its proposal submitted in response to RFP. The CONSULTANT shall not change its sub-agencies or Consortium Member who were evaluated during the RFP process. The engagement of any Sub-Consultant by the CONSULTANT shall not relieve the CONSULTANT of any of its obligations under this Agreement.

3.4 **Adherence to Law**

The CONSULTANT shall perform the work/services under this Agreement in accordance with the applicable laws, bye-laws, rules, regulations, etc and shall also ensure that any sub-agencies, as well as any personnel of the CONSULTANT and/or sub-agencies and agents, comply with the applicable laws, bye-laws, rules, regulations etc. However, this shall not be

deemed to be waiver of the immunity and privileges accorded to agencies/bodies/entities of the United Nations under the laws of the Union of India and international covenants and conventions.

3.5 CONSULTANT Not to Benefit from Commissions Discounts, Etc.

The remuneration of the CONSULTANT pursuant to Article 5 of this Agreement shall constitute the CONSULTANT's sole remuneration in connection with this Agreement and the Project. The CONSULTANT shall not accept for its own benefit any trade commission, discount or similar payment in the discharge of its obligations hereunder and the CONSULTANT shall ensure that its personnel, agents, sub-agencies, etc. similarly shall not receive any such additional remuneration. The CONSULTANT shall at all times perform its responsibilities hereunder in the best interest of Employer. Any discounts or commissions obtained by the CONSULTANT in exercise of its responsibilities hereunder, whether from sub-agencies, Contractor or any third parties shall be to the account of Employer.

3.6 Liability and Insurance:

3.6.1 Liability of the Consultant:

- a) The Consultant shall only be liable to pay compensation to the Employer arising out of or in connection with the Agreement if a breach of **Articles 3.1, 3.2, 3.3, 3.4, 3.5** above is established against him.
- b) **Compensation:** If it is considered that the Consultant is liable to the Employer, compensation shall be payable only on the following terms:
 - i. Such compensation shall be limited to the amount of reasonably foreseeable loss and damage suffered as a result of such breach, but not otherwise.
 - ii. In any event, the amount of such compensation will be limited to the amount specified in Clause 3.6.1(d) below.
 - iii. If Consultant is considered to be liable with third party, the compensation payable by him shall be to liability, which is attributable to his breach.
- c) **Duration of Liability:** The Consultant shall be considered liable for any loss or damage resulting from any occurrence if a claim is formally made on him before the expiry of the period which will be reckoned from the date of work order to the completion of defect liability period or the claims / court cases are settled whichever is later.
- d) **Limit of Compensation (Limitation of the Consultant's liability towards the Employer):**
 - A) In case of gross negligence or willful misconduct on the part of the Consultants or on the part of any person or firm acting on behalf of the Consultants in carrying out the services, the Consultants with respect to damage caused by the Consultants to the

Employer's property, shall be liable to the Employer for any direct or consequential loss or damage to the extent as below:

- a) 20% of the total payments for professional fees and reimbursable expenditures made or expected to be made to the Consultants hereunder, or
 - b) the proceeds the Consultants may be entitled to receive from any insurance maintained by the Consultants to cover such a liability, whichever of (a) or (b) is higher.
- B)** This limitation of liability shall not affect the Consultant's liability, if any, for damage to third parties caused by the Consultants or any person or firm acting on behalf of the Consultants in carrying out the services.

3.6.2 Insurance and other liabilities to be taken out by the CONSULTANT :

The CONSULTANT shall:

- (i) Take out and maintain, and shall cause any Sub- Consultant to take out and maintain at their (or the sub-CONSULTANT's as the case may be) own cost insurance against the risks, and for the coverage, as specified in (a) to (c) below:
 - (a) Third party motor vehicle liability insurance as required under Motor Vehicle Act 1988 in respect of motor vehicles operated in India by the CONSULTANT or its personnel or any sub CONSULTANT or its personnel for the period of this Agreement;
 - (b) Engineer-in-charge's liability and worker's compensation insurance in respect of the personnel of the CONSULTANT and of any sub CONSULTANT, in accordance with relevant provisions of the applicable law, as well as, with respect to such personnel, any such life, health accident, travel or other insurance as may be deemed appropriate by CONSULTANT; and
 - (c) Insurance against other risks that CONSULTANT may consider reasonably appropriate.
- (ii) At Engineer-in-charge request, provide evidence to Engineer-in-charge showing that such insurance has been taken out and maintained and that the current premiums there for have been paid.
- (iii) The employers shall not have any liability in case of litigation /loss or damage to any worker(s) employed by the CONSULTANT or contractor during the execution of the project.

3.7 Inspection

The CONSULTANT shall:

- (i) Keep accurate and systematic records in respect of the services rendered by it hereunder,

in accordance with accepted principles and in such form and detail as will clearly identify all relevant time charges and cost, and the basis thereof; and

- (ii) Permit Employer or its designated representative periodically, and up-to one year from the expiration or termination of this Agreement, to inspect the same and make copies thereof as well as to have them audited by representatives appointed by Employer.

3.8 Reporting Obligations

The CONSULTANT shall submit to Engineer-in-charge in connection with the Project such information, reports and documents in such form, numbers and within the time period as Engineer-in-charge may reasonably require.

3.9 Copyright: *Documents prepared by the CONSULTANT shall be the property of Employer.*

All plans, drawings, specifications, designs, reports, data and documents, etc. prepared by or through the CONSULTANT for Employer under this Agreement shall be intellectual property of Employer and shall not be reproduced/ reused by CONSULTANT without prior permission of Employer. The CONSULTANT shall, upon termination or expiration of this Agreement, deliver all such plans, drawings, specifications, designs, reports, data and documents, etc. to Engineer-in-charge, together with a detailed inventory thereof.

- 3.10 CONSULTANT will assist Employer to conduct the tender process (including but not limited to preparation of tender documents, approval from competent authorities, setting outpost-qualification criteria, invite tenders, evaluate Proposals received). Based on work requirements, Engineer-in-charge may decide to split the entire work in to more than one package.
- 3.11 Executive Engineer shall provide necessary assistance to CONSULTANT in preparation and submission of necessary applications with details and in making representations before the appropriate authorities for obtaining the necessary approvals / clearances for the Project.
- 3.12 Employer to take all necessary decisions as per the provisions of the Project Contract including approval of any variation / deviation / extra item of work / change in scope of work/ extension of time / price adjustment etc. for the smooth implementation of the project. However, any variation beyond 5% for any individual item of bill of quantities and sum of all variations beyond 5% variation of the Project Contract value shall be referred to the Competent Authority/Employer for written approval.
- 3.13 Employer may undertake its obligations either on its own or may appoint any other agencies for the discharge of its obligations. However, appointment of any other agencies shall not relieve the CONSULTANT of any of its obligations under this Contract. The terms of any sub-contract shall be subject to and conform to the provisions of this Contract.
- 3.14 Assist Employer to Issue letter of award and to sign Project Contract with the Contractor.

- 3.15 Scrutinize and recommend Employer to Approve the concept drawings including other submissions
- 3.16 On completion of the said works, CONSULTANT will hand over the said works Employer/End-user/Tenements. For this purpose all documents required in the form of completion plans, services etc. shall be finalized/prepared by CONSULTANT and handed over to Employer
- 3.17 Any dispute arising out of the operation of the Project Contract(s) for the subject work will be subject to arbitration as provided for in the Project Contract with the Contractor. CONSULTANT will assist Engineer-in-charge defend the arbitration proceedings as best as it can and challenge the same before court. For disputes attributable to CONSULTANT no payment towards litigation expenses shall be made by Employer.
- 3.18 **Liquidated Damages**
- (i) The CONSULTANT shall be liable to pay as liquidated damages 0.25% of the fee of applicable services for delay of each week or part thereof in completing the same with respect to its stipulated schedule.
 - (ii) Notwithstanding anything to the contrary contained herein, in case, the CONSULTANT fails to successfully implement the project as per the provisions of the agreement, employer shall have the right and be entitled to recover a sum equal to 10% of the Contract Value (as per Annexure-3, Part A), as liquidated damages from the CONSULTANT. The Parties agree that this is a genuine pre-estimated loss that employer would suffer, in terms of loss of reputation, goodwill and faith and disruption in services to citizens, on account of the CONSULTANT's failure to successfully implement the project. The liquidated damages shall be in addition to other remedies available to Employer under the agreement and applicable laws, including forfeiture of consultancy fee.

Article 4: Obligations of Employer

Employer agrees to provide all the requisite support to CONSULTANT to enable carrying out the activities listed under the Scope of Services. Such support by Employer will include sharing of all the information, records, data, reports, all drawings of existing structure and utilities etc. prepared either by Employer, itself or through other Agencies/ advisors on the Project, any other information about the Project relevant to the work being carried out under this Agreement, assigning of any Employer manpower resources, whenever and wherever required and obtain/accord the necessary decisions and approvals to enable expeditious execution of the Scope of Services.

- 4.2 Handover the Project Site free from encumbrances including but not limited to have the Site vacated from the users / allottees / lessee and other encroachments if any and arrange their relocation etc. as required for implementation of the Project.
- 4.3 For undertaking various surveys and studies, Employer shall provide peaceful access to the Project Site and other facilities, etc. which may be necessary for carrying out the Scope of Services.

Deleted

- 4.4 Designate a representative, who shall be fully acquainted with the Project and has authority to communicate approvals of Project Construction Budgets, changes in the Project, render decisions promptly consistent with Project Schedule and furnish information expeditiously.
- 4.5 Issue all appropriate necessary request/letter/ instructions for effective and prompt sanctions, approvals, permissions and other act, as may be required, by officials, agents and representatives of the respective Government departments for the implementation of the Project.
- 4.6 CONSULTANT shall scrutinize bills after submit for due verification of measurements by Junior Engineer, Deputy Engineer and Executive Engineer and recommend Employer for further payment.
- 4.7 The CONSULTANT shall be the first respondent to the Contractor(s) and any other CONSULTANT(ies) in any dispute/arbitration. The expenditure incurred by CONSULTANT in defending the arbitration / litigation cases shall be paid by the Employer

Article 5: Fees for Services & Payment of taxes etc.

- 5.1 In lieu of the Services rendered hereunder, Employer shall pay the mutually agreed fees to the CONSULTANT, as set out in **Annexure 3** (öCONSULTANTø Remunerationö).
- 5.2 Employer shall pay due remuneration to CONSULTANT
- 5.3 All the applicable taxes shall be borne by the CONSULTANT as per law *unless otherwise specified*.
- 5.4 All out of pocket expenses such as travel expenses/commissions etc. shall be by the CONSULTANT.
- 5.5 Payment shall be made to lead partner of the consortium after *due* verification by the employer/ Engineer-in-charge after deduction of taxes as applicable.

Article 6: Effectiveness, Commencement, Expiry and Termination of the Agreement.

- 6.1 The CONSULTANT shall make all reasonable efforts to have the Project implemented within

time period given in para 4 of Section 5 , Terms of Reference from the date of issue of work order or the date on which the site is made available to CONSULTANT free from all encumbrances, whichever is later. However, the CONSULTANT shall not be held responsible for any delay in construction/implementation of the Project, for reasons not exclusively attributable to the CONSULTANT.

- 6.2 The services of Consultant shall be available till the completion of defect liability period or the claims / court cases are settled whichever is later.
- 6.3 The Consultant will maintain the record of work till completion of the defect liability period and or till the claims and court matters pertaining to the work are settled, whichever is later.
- 6.4 The Consultant will also submit the certificate regarding satisfactory completion of the work before the final bill is paid by the Employer..
- 6.5 If the CONSULTANT fails to perform any of its obligations under this Contract, including carrying out of the Services, notice of suspension specifying (i) the nature of the failure and (ii) instructing the CONSULTANT to remedy such failure/s within the period not exceeding thirty (30) days shall be issued by the Employer. If CONSULTANT fails to comply the instructions given as above Employer shall, suspend all payments to the CONSULTANT.
- 6.6 CONSULTANT shall fulfill its obligations in accordance with this Agreement. Any unexcused delay by the CONSULTANT in the performance of its obligations under this Agreement shall render the CONSULTANT liable to Termination of the Agreement;

Provided that the Employer may terminate this Agreement by giving written notice to the CONSULTANT of such intended termination and specifying the effective date thereof, at least (30) thirty days before the effective date of such termination; provided, however, that the CONSULTANT may correct/remedy or commence to correct/remedy its alleged default at any time prior to the proposed date of termination, in which event, the Termination Notice may be withdrawn by Engineer-in-charge if it is satisfied by the pace of work or correction of defects. If the Agreement is terminated by Employer for cause as provided herein, the CONSULTANT shall be paid for the services rendered till the effective date of termination and thereafter receive no further compensation.

- 6.7 The CONSULTANT shall submit a calendar/work chart for execution of the project in the DPR for approval by the Employer
- 6.8 Notwithstanding anything to the contrary contained herein, upon Termination of this agreement due to an CONSULTANT's Event of Default, Engineer-in-charge shall have a right to get the project completed and/or services delivered thorough a third party, at the risk and cost of the CONSULTANT. In such a case Engineer-in-charge shall retender for the remaining areas/services and the CONSULTANT shall be liable to the employer for any excess costs for such similar services, if any.
- 6.9 The Employer may, by not less than (30) days written notice of termination to the Consultants,

such notice to be given after the occurrence of any of the events specified in the paragraphs (a) through (f) of this Clause 6.9 terminate this Contract.

- a) If the CONSULTANT fail to remedy a failure in the performance of their obligations hereunder, within thirty days(30) of receipt of such notice of suspension or within such further period as the Employer may have subsequently approved in writing;
- b) If the CONSULTANT become (or, if the CONSULTANT consists of more than one entity, if any of their Members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;
- c) If the CONSULTANT fail to comply with any final decision reached as a result of arbitration proceedings pursuant to Article 7 below hereof;
- d) If the CONSULTANT submit to the Employer a statement which has a material effect on the rights, obligations or interest of the Employer and which the CONSULTANT know to be false;
- e) If, as the result of Force Majeure pursuant to Article 12 below hereof, the CONSULTANT are unable to perform a material portion of the Services for a period of a not less than sixty (60) days;
- f) If the Employer, in its sole discretion and for any reason whatsoever, decides to terminate this Contract.

The CONSULTANT shall be paid for the services rendered till the effective date of termination and thereafter receive no further compensation.

Article 7: Dispute Resolution

7.1 Amicable Settlement

The Parties shall use their best efforts to settle amicably all disputes arising out or in connection with this Contract or the interpretation thereof and no party will raise / record dispute applicable to duplication of works and duties performed.

7.2 Dispute Settlement

Any dispute between the Parties as to matters arising pursuant to this Contract which cannot be settled amicably within thirty (30) days after receipt by one party of the other party's request for such amicable settlement may be submitted by either party for settlement to tri-party committee appointed by PCNTDA which shall give its decision in 90 days.

7.3 In witness whereof the parties hereto have caused this agreement to be executed the day and year first before written in accordance with their respective laws. Jurisdiction regarding matter of this contract is Pimpri Chinchwad and Pune only.

7.4 It is expressly agreed that the CONSULTANT (including its sub- Agencies, contractors, agents, etc.) shall continue to perform the services uninterruptedly pending the resolution of any dispute between the Employer and CONSULTANT, timely and satisfactory completion of the Project being of the essence of this Agreement. The submission to Dispute Resolution of any dispute arising during construction shall not delay or otherwise affect the continuing performance of the work by the CONSULTANT.

Article 8: Exclusions, Waiver and Amendments, etc.

- 8.1 Nothing contained in this Agreement shall prevent CONSULTANT to pursue their interests in other states as well as in Maharashtra and, for that purpose to enter into other partnerships and / or agreements for specific projects provided such partnerships and / or specific projects are not in conflict with the Project.
- 8.2 Failure by any Party to enforce, at any time, any provision of the Agreement shall not be construed as a waiver of its right to enforcement of the breach of such provision or any other provision of the Agreement, or as a waiver of any continuing, succeeding or subsequent breach of any such provision or other provision of the Agreement or as a waiver of any right under the Agreement.
- 8.3 No amendments, modifications, or alterations of or any additions to the terms and conditions of this Agreement shall be valid unless the same is in writing and agreed to by the Parties.
- 8.4 This Agreement may be executed in two originals, each of which when executed and delivered shall constitute an original of this Agreement.
- 8.5 Nothing contained in this Agreement shall constitute or be deemed to constitute a partnership between the Parties, and no Party shall hold oneself out as an agent for the other Party, except with the express prior written consent of the other Party or as provided herein.
- 8.6 Any date or period as set out in any Article of this Agreement may be extended with the written consent of the Parties failing which time shall be of the essence.
- 8.7 Each of the rights of the Parties hereto under this Agreement are independent, cumulative, and without prejudice to all other rights available to them, and the exercise or non-exercise of any such rights shall not prejudice or constitute a waiver of any other right of the Party, whether under this Agreement or otherwise.

Article 9: Confidentiality

9.1 Neither Party shall disclose to anyone not a party to this Agreement any confidential or proprietary information as to the other Party's business affairs which may come to its knowledge by reason of this Agreement, including without limitation, financial, technology and business information, trade secrets, any structuring or tax structuring advice provided by CONSULTANT and know-how (collectively, the "Confidential Information") and both Parties undertake to treat all Confidential Information as strictly confidential unless it has become part of the public domain or is required to be disclosed as mandated by applicable law, regulation, legal process or regulatory authority. The obligation herein stated shall survive the Termination of this Agreement.

Article 10: Non Assign ability

10.1 Subject to the provisions of this Agreement, this Agreement is personal to the CONSULTANT and shall not be capable of Assignment, except with the prior written consent of Employer. The Assignment rights of the CONSULTANT shall be subject to the transferee agreeing to be bound by the terms of this Agreement and executing a deed of adherence.

Article 11: Governing Law

11.1 Subject to the provisions of Article 7, this Agreement shall be governed and construed in accordance with the laws of India and the Parties hereby submit to the exclusive jurisdiction of the Courts at Pune.

Article 12: Force Majeure

12.1 Force Majeure means acts of God (including, but not limited to natural disaster, fire, thunder, lightning, explosion, earthquake, storm, typhoon, tornado, drought, tidal wave and flood) terrorist attacks or war (whether declared or not), invasion or an act of foreign enemy or any judgment or order of any court of competent jurisdiction or statutory Authority whereby a Party is prevented from complying with its obligations under this Agreement. The period of compliance with its obligations under this Agreement by the Party affected by the Force Majeure event shall be extended on a day for day basis for the period during which the Force Majeure event continues.

12.2 In the event of a Party (affected Party) not being able to perform its obligations pursuant to this Agreement as a result of a Force Majeure event, such affected Party shall give notice ("Force Majeure Notice") to the other Party, as provided in Article 12, of any such Force Majeure event as soon as reasonably practicable but not later than seven days after the date on which the

affected Party knew or should have reasonably known the commencement of the Force Majeure event.

- 12.3 If the affected Party has taken all necessary steps towards mitigating the effect of a Force Majeure event, then:
1. the obligations of the affected Party shall be suspended to the extent that they are affected by the Force Majeure event so long as the Force Majeure event continues;
 2. to the extent the performance of the obligations of the affected Party is affected by the Force Majeure event, the time period for the performance of the obligations of the affected Party shall be extended by a similar time period on a day to day basis.
- 12.4 Force Majeure shall not include any event, which is caused by the negligence or intentional action of a Party or such Party's Sub- Consultant or agent or employees or, which a diligent Party could reasonably have been expected to:
- (i) Take into account at the time of the conclusion of this Agreement and/or;
 - (ii) Avoid or overcome in the carrying out of its obligations hereunder.

ARTICLE 13: Representations and Warranties

13.1 Representations and Warranties

Both the Parties to this Agreement represent and warrant to each other that:

- (i) The Party is duly organized, validly existing and in good standing under the laws of India;
- (ii) The Party has full power and authority to execute, deliver and perform its obligations under this Agreement and to carry out the transactions contemplated hereby;
- (iii) The Party has taken all necessary corporate and other action under Applicable Laws and its constitutional documents to authorize the execution, delivery and performance of this Agreement;
- (iv) This Agreement constitutes the Party's legal, valid and binding obligation enforceable against it in accordance with the terms hereof;
- (v) There are no actions, suits, proceedings, or investigations pending or, to the Party's knowledge, threatened against it at law or in equity before any court or before any other judicial, quasi judicial or other authority, the outcome of which may result in the breach of or constitute a default of the Party under this Agreement or which individually or in the aggregate may result in any material adverse effect;
- (vi) The Party has no knowledge of any violation or default with respect to any order, writ,

injunction or any decree of any court or any legally binding order of any Government CONSULTANT which may result in any material adverse effect or impairment of the Party's ability to perform its obligations and duties under this Agreement.

ARTICLE 14: Indemnity

- 14.1 Each party shall indemnify and keep indemnified the other party from and against all consequences and liabilities arising out of or in any way connected with the indemnifying party's negligence, fault, nuisance, breach and failure to perform its obligations under this Contract / Project Contract, except to the extent that the same is attributable to a negligent or willful act or omission of the party seeking to be indemnified.

- 15.1 All notices and other communication in respect of this Agreement shall be given in English by registered airmail, postage prepaid or facsimile to the party entitled thereto at its address as it shall hereafter designate for this purpose:
